

# Doxey Digest

Your weekly newsletter from the pupils and staff at Doxey Academy: Friday 14th March 2025

Happy Birthday Doxey Church—A huge thank you to Doxey Church for helping us dream big and fly high. As they celebrate their 50th anniversary, we are grateful for their unwavering support and the positive impact they've had on our community and school. Here's to many more years of inspiration and growth together!

Year 1 have been showing a great appreciation for nature this week, exploring the tall, terrific trees around us. They have been learning about deciduous and evergreen trees and discovering the structure of these magnificent plants.

## Dream Big. Fly High!

This week we have focused on our school value of ambition. We learnt about famous people who did not have an easy start to life but had strong ambition and have succeeded against all odds!

## Message from the Head

This week the children have particularly impressed me with their engagement in lessons. Walking around the school, it is exciting to feel the buzz of learning.

Year 3 have been researching different money containers relating to their Design and Technology project this term. Over the next few weeks, they will be planning, designing and making their very own money container. We can't wait to see their final products!

In Geography this week, Year 6 were tasked with presenting a News Report based on the 2023 Earthquakes in the Kahramanmaraş region of Türkiye, which occurred on 6th February 2023. As reporters, Year 6 described and explained what happened in the earthquake and how people responded. Year 6 even created their own version of 'Newsround' to share their reports 'live' on the big screen. What budding reporters we have!

## PTFA

I'm sure you'll agree that the PTFA did a great job at organizing the Spring Fayre (as well as all the other previous events). We could really do with some more members—you can be involved as little or as much as you would like.

## Dates
