

Doxey Digest

Your weekly newsletter from the pupils and staff at Doxey Academy: Friday 5th May 2025

Year 2 have enjoyed reading their new book, *Beegu*, in English lessons. They have been working hard to write compound sentences using the coordinating conjunction "and." Keep up the great work, Year 2! Your efforts are truly impressive!

Reception have green fingers! They planted broad beans and are eagerly waiting to see them grow. The children loved getting hands-on with nature, learning about plants, and

starting to watch their progress. It's been an exciting and educational experience!

Dream Big. Fly High!

A reminder of our school values:

Kindness, ambition, resilience, integrity and self belief.

Message from the Head

A lovely week back in the sunshine. The children have come back with fantastic attitudes and we have seen lots of hard work in the classrooms and lots of great fun at dinnertimes!

Park Adventures—Year 1 had a wonderful time inviting their family members on a walk to the park. Before setting off, children carefully planned out their route, using directional language to guide the way. It was a fantastic opportunity for them to showcase their geographical skills and they were so proud to share their learning with their families.

This week in writing, Year 4 have been learning about subordinate clauses. This was tricky new learning, but Year 4 rose to the challenge and produced some super complex sentences! They also worked in silence when it came to applying this new skill, showing amazing focus!

Uniform

A reminder that uniform should be worn at all times. This includes a black jumper and jogging bottoms on PE days. Ask in the office if you like to view our pre-loved uniform.

PTFA

We could really do with some more members—you can be involved as little or as much as you would like.
