

The Doxey Digest

Friday 1st March 2024

Every note tells a story! Children poured their hearts out, one song at a time at this years 'Stafford Gotta Sing' 2024. They proved that practice really makes perfect. They worked hard for months preparing not only their voices but their minds too. They found courage, bravery and teamwork together and preformed beautifully in front of a huge audience. Every child gave their very best and each and every one of them grew as a person and a performer. They entertained, they cared and they sang with gusto! In the words of Whitney Houston "The best singers don't just sing a song, they live it. They become the embodiment of the emotions and the story" Thank you Choir for telling us your story and making your parents and school proud. If your child wants to join our choir please ask a member of staff and come and join us having fun singing each week.

Year one have been learning about the Royal Family as part of the History lessons. This week they held a royal coronation. They crowned King Charles and Queen Camilla. They learnt

what a coronation is, the six stages of it and new vocabulary such as the orb, sceptre and oath. It was really fun waving the flags.

The school council met this week to discuss the improvements in behaviour around the school and what we need to do next to be even better. The councillors have taken a questionnaire back to their classrooms so they can discuss this as a class before feeding back the responses in a couple of weeks. They will then meet Mrs Lazenby to discuss their findings.

Message from the Head I was very proud of our children who performed onstage at the Gatehouse this week. It was the first time Doxey Primary School has taken part and they were amazing. We hope to take even more children next year.
