

Doxey Digest

Your weekly newsletter from the pupils and staff at Doxey Academy: Friday 10th October 2025

Reception explored the number 4 this week! They watched Numberblocks and talked about what makes 4 special. They printed with paint and blocks, and used green dots to show 4 in different ways.

Year 1 had an exciting week exploring the local area on their very first field trip! The children spotted post boxes, bus shelters, road signs, houses, paths, and even a church. They were especially amazed by the giant wind turbines in the distance. It was a brilliant day filled with discovery, fun, and learning all about their community.

This week, the children had lots of fun digging outdoors! They discovered all sorts of hidden 'treasure' buried in the soil—and were thrilled

to find lots of frogs hopping around. A wonderful week of OPAL!

Bright Beginners had a wonderful time making apple crumble for snack this week. The children enjoyed using the apple slicer and mixing oats, sugar, and butter. It was delicious, and some even asked for seconds! Cooking together was a fun, hands-on way to learn and explore new skills.

Dream Big. Fly High!

This week we were visited by Will from the House of Bread who talked to us about kindness—one of our school values! We are keen to keep collecting donations as part of our harvest festival to show kindness.

Message from the Head

It was so lovely visiting the Y5s on their residential this week. Their behaviour was impeccable and they had so much fun. I'm sure we will have photos to share in next week's newsletter.

PTFA

Everyone is welcome to attend our PTFA Annual General Meeting on Tuesday at 2pm. Help make a difference to our school community.

Open Evening

Open Evening is on Tuesday—5pm—6:30pm. Current families are all welcome to come and find out more about our school.
