

# Doxey Digest

Your weekly newsletter from the pupils and staff at Doxey Academy: Friday 7th November 2025

On Tuesday morning, excitement soared as children heard that dragons had been spotted flying over Doxey! A mysterious nest of eggs was found in Forest School, and each class is now caring for one. This magical discovery has inspired us to read the enchanting book *Tell Me a Dragon* and explore the world of dragons together.

The children have been loving the new playground wheels! With a growing variety to explore, their excitement keeps rolling. We're always on the lookout for more wheels to add — donations or suggestions are warmly welcomed to keep the fun spinning!

Year 1 have really enjoyed exploring our fabulous new text in writing this week—*Tell Me a Dragon!* The children have been busy

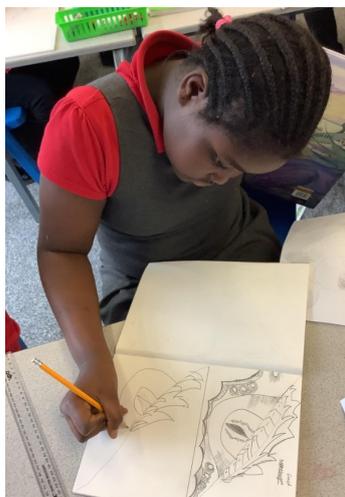

creating wonderful sentences all about their dragons, using exciting adjectives and imaginative ideas. Everyone also designed their very own dragon scale to add to our whole-school collaborative dragon artwork. We can't wait to see what the finished dragon looks like!

## Dream Big. Fly High!

This week we have been thinking about what makes a STAR listener. Ask your child to explain this to you.

## Message from the Head

A big welcome back to all. We have had a fantastic week getting back into learning and have been particularly excited by the mysterious egg discovery!

This week Year 5 have been immersed in the magical world of dragons. They have used their sketching and shading skills to create some impressive dragon eyes with lots of detail. Mrs Garratley was blown away by their artistic skills and focus.

## Wellies

Please send **named** wellies in so your child can play on the field at dinnertime. Please label school shoes as well as these can get mixed up easily.

## PTFA

We would love more parents to be involved in the PTFA to help put more events on for our children and raise crucial funds for the school. Please speak to a member of staff if you are interested.

## Dates

10/11/25	Y6 trip—Ironbridge Gorge Museum
