

Doxey Digest

Your weekly newsletter from the pupils and staff at Doxey Academy: Friday 8th May 2026

Year 1 have been exploring aerial and street view maps to learn more about our local area. They have been identifying key features such as roads, parks, and buildings from different perspectives. The children showed great excitement when using maps to zoom in and out and spot familiar places. Some children were even able to find their own homes as well as our school.

We enjoyed sunny dinnertimes this week, with the new scooter zone a favourite, helping pupils build coordination, confidence and friendships while taking turns, encouraging each other, and staying active happily during lunchtime, promoting teamwork, resilience, joy, and outdoor routines daily.

Dream Big. Fly High!

Included in our new behaviour policy we have a huge array of rewards for children who are showing positive behaviour. Your child has probably come home with a completed stamp chart already. These sit on every child's desk and they get stamps as positive praise for good behaviour or good learning. For a completed stamp chart, children get to choose something out of our prize boxes. Some children are already on their 4th stamp chart.

Year 5 had a great time on their trip to Lichfield where they went on the hunt to decide whether buildings were Tudor or Mock Tudor using the features they had learnt about. By the end of the day they were experts at spotting the differences. They also visited the Samuel Johnson Museum, where they found out about the interesting life of a famous author (who spent years writing one of the first dictionaries!) After lunch in beautiful Beacon Park, they squeezed in a visit to Lichfield Cathedral and sketched some of its many intricate sculptures and details.

Year 3 had a wonderful visit to the library, where they took part in an exciting book scavenger hunt. The children thoroughly enjoyed the activity and showed great enthusiasm as they explored the wide range of books available. They also had the opportunity to borrow a book to take home using their library cards.

Reading

Well done to these children for reading the most words in their class:

Sienna McCann
Sammy Oyeyiola
Skye Davison

It is so important that children are reading at home. This will support future learning and give them a strong start to the next phase of their education.

Dates

11/5/26— 14/5/26	Y6—SATs
22/5/26	Y2&3 (Mrs Leighton's Class) —The Wolseley Centre trip
25/5/26— 29/5/26	Half Term
8/6/26	Rainbow Room—Library visit

15/7/26	Y6 Leavers Assembly
17/7/26	Last day of term
20/7/26— 31/8/26	Summer Holiday

Message from the Head

This week I was invited to meet the Regional Director for Education where, as a group of Headteachers, we shared what is important to schools at the moment and what challenges the education sector is facing.
